**Instructions for  
Schedule C  
Nonmonetary Contributions Received**

Report the receipt of nonmonetary contributions on Schedule C.

Nonmonetary contributions include:

- Goods and services for which you have not paid the fair market value, including items donated for auctions or garage sales, such as artwork or furniture.
- A discount that is not available to the public generally.
- Salary payments made by an employer for an employee who spends 10% or more of his or her compensated time in a calendar month working for your committee.

Volunteer personal services and payments voluntarily made by a person for his or her own campaign-related travel expenses are not reportable. The occupant of a home or office can host a fundraiser without making a nonmonetary contribution as long as the total cost of the fundraiser is \$500 or less.

If a total of \$100 or more is received from a single contributor during a calendar year, report the name, street address, city, state and zip code of the contributor, the amount contributed this period, and the cumulative amount received from the contributor since January 1 of the current calendar year.\*

Contributions of less than \$100 received from a single contributor during a calendar year are totaled and reported as a lump sum on Line 2 of the Schedule C Summary.

**Date Received:**

A nonmonetary contribution has been received on the earlier of the following: 1) the date the contributor made an expenditure for goods or services at your behest (in consultation or coordination with you, or at your request or suggestion); or 2) the date you or your agent obtained possession or control of the goods or services.

**Fair Market Value:**

The fair market value of a nonmonetary contribution is the amount it would cost to purchase the goods or services on the open market. The fair market value can be more than the amount it cost the contributor to provide the goods or services to you.

If you do not know the value of a nonmonetary contribution, you may request the contributor to provide you with a written statement of the value. If you make a request in writing and the value of the contribution is \$100 or more, the contributor is required by law to provide the information.

**Administrative Services:**

Administrative overhead and start-up expenses paid by a sponsoring organization for its sponsored committee are not contributions to the committee but must be reported on Schedule C. Report the value of the services in the "Description of Goods or Services" column and a zero in the "Amount" and "Cumulative to Date" columns.

**Nonmonetary Contributions as Expenditures:**

The total of nonmonetary contributions is reported on the Summary Page as both contributions received and expenditures made. Enter the total on Line 3 of the Schedule C Summary on both Lines 4 and 10 of the Summary Page.

**Additional Important Information:**

Refer to the Instructions for Schedule A for important information about:

- Contributor Codes
- Contributions from Individuals
- Contributions from Committees
- Intermediaries
- Cumulative to Date - Other

Refer to the FPPC Information Manual on Campaign Disclosure for important information about aggregating monetary and nonmonetary contributions, recordkeeping, and more, including the following:

\*There are exceptions to the calendar year "cumulation period" for candidate elections and ballot measure elections held in January and early February, and for ballot measure qualification activities.

Summary of Expenditures Supporting/Opposing

**CALIFORNIA  
FORM**

**460**

Schedule D is a summary of payments reported on Schedules E, F, and H that are contributions or independent expenditures to support or oppose **other** candidates and committees. These include:

- A direct monetary contribution or loan made to another candidate or committee.
- A payment made to a vendor for goods or services for a candidate or committee (a nonmonetary contribution).
- A donation to a candidate or committee of goods on hand, or the payment of salary or expenses for a campaign employee who spends 10% or more of his or her compensated time working for another candidate or committee.
- A payment made for a communication (e.g., a mailing, billboard, radio ad) that expressly advocates the election/passage or defeat of a clearly identified candidate or ballot measure, but the payment is not made to—or at the behest of—the candidate or a ballot measure committee. “At the behest of” means the payment was made in coordination or consultation with, or at the request or suggestion of the candidate or committee. These payments are “independent expenditures” and may trigger additional reports for your committee.

If a total of \$100 or more is contributed or expended during a calendar year to support or oppose a single candidate, ballot measure, or a general purpose committee (e.g., a political party), disclose the name of the candidate and the office

sought or held, the name and jurisdiction of the ballot measure, or the name of the general purpose committee. For each candidate or measure listed, indicate whether the payment was made to support or oppose the candidate or measure. For example, if you made a contribution to the Committee Against Measure A, identify the measure and jurisdiction and check the “Oppose” box.

Disclose the date(s) and amount(s) of contributions or independent expenditures made this period relative to each candidate, measure, or committee, and the cumulative amount contributed or paid to date relative to the candidate, measure, or committee since January 1 of the current calendar year.

If contributions are made to candidates who are subject to state contribution limits, also disclose the cumulative amount contributed to each candidate during the election cycle.

Contributions and expenditures of less than \$100 to support or oppose a single candidate or measure during a calendar year are totaled and reported as a lump sum on Line 2 of the Schedule D Summary.

**Contributions for Which No Payment Was Made:**

If you contribute goods on hand to another candidate or committee (e.g., office supplies), describe the goods or services in the “Description

of Nonmonetary Contribution” column, and disclose the fair market value of the contribution. The fair market value is the amount it would cost the recipient to purchase the goods or services.

**Date of Contribution or Expenditure:**

A monetary contribution is made on the date it is mailed, delivered, or otherwise transmitted it to the candidate or committee. A nonmonetary contribution is made on the earlier of the following: 1) the date you made an expenditure for goods or services at the behest of the candidate or committee; or 2) the date the candidate or committee or an agent of the candidate or committee obtained possession or control of the goods or services.

**Additional Important Information:**

Refer to the Information Manual on Campaign Disclosure Provisions for important information about recordkeeping, prohibitions on cash payments, restrictions on the use of campaign funds, and more.

**Contributions from campaign funds from a candidate or officeholder to other candidates or officeholders who are subject to valid contribution limits may be prohibited.**
